UNITED STATES COURT OF MILITARY COMMISSION REVIEW

UNITED STATES OF AMERICA) CMCR CASE NO. 07-001
V.	AMICUS CURIAE BRIEF FILED OUT OF TIME, APPELLANT'S SUPPLEMENTAL CITATIONS, AND INSPECTOR GENERAL INFORMATION
OMAR AHMED KHADR	DATE: 22 AUGUST 2007

This order responds to the (1) Motion to File Amicus Curiae Brief Out of Time, (2) Government Opposition to Consideration of Amicus Curiae Brief, (3) Government Motion to File Supplemental Citations, and (4) Defense Motion to Provide Department of Defense Inspector General (DoD IG) Information. These four documents were filed with this Court on August 21 and 22, 2007.

On August 22, 2007, the Government informed the Court that there was no Government objection to the Defense review of the requested DoD IG records at the office of Captain Petty.

The Court therefore ORDERS:

- 1. The Motion to Consider the *Amicus Curiae* Brief is GRANTED. However, the Defense is not permitted to argue information contained exclusively in the *Amicus Curiae* Brief at Oral Argument on August 24, 2007, due to the late filing, which places the Government at a distinct disadvantage. The Government may file a reply brief not later than September 3, 2007.
- 2. The Government's Motion to file Supplemental Citations is GRANTED.
- 3. The Defense may review the requested records at the office of Captain Petty. The redacted information continues to be classified, "For Official Use Only" and may not be released beyond the parties of this case without the prior approval of the classifying agency.
